

ABOUT HACKER HALTED

Hacker Halted is an information security conference presented by EC-Council. The objective of the Hacker Halted conferences is to raise international awareness towards increased education and ethics in IT Security. Hacker Halted 2021 is a hybrid event! Join us in-person in Atlanta, GA or online for 4 days of training and 2 days of speakers, networking, parties, and sponsors!

The 2021 theme is Creeping Cyber Threat!

“ I came to this conference to decide whether or not I wanted to go into this field and Chris’s presentation was a big factor in helping me decide that this is something I want to do. He is an effective and dynamic speaker with the ability to explain the material to a diverse audience. It was the highlight of the 1st day.

ABOUT THE GLOBAL CISO FORUM

OCTOBER 7TH & 8TH 2021

Last year we brought you GCF at Home. This year, we bring you GCF Hybrid. That's right – GCF 2021 will be both live in-person, in Atlanta, as well as online! Join us for two days of sessions with some of the industry's best speakers and sponsors. EC-Council's GCF is an invite-only, closed-door event gathering the highest level executives from across industries and countries to discuss the most pressing issues in information security. Now in its eleventh year, the 2021 GCF promises to be the best yet with an exciting mix of industries, formats, and interactive presentations.
